

INDIA'S FIRST GRABBING ATTACHMENT SYSTEMS

HI QUALITY - HI EFFICIENCY - LOWCOST - LOW MAINTENANCE - EASY SERVICE

LOW DIESEL CONSUMPTION

GRABBING MACHINE USAGES

esa's make own R&D Design for Multipurpose Heavy-duty Grabbing and loading attachment systems.

Textile Cotton Bale

Paper Industries Bale

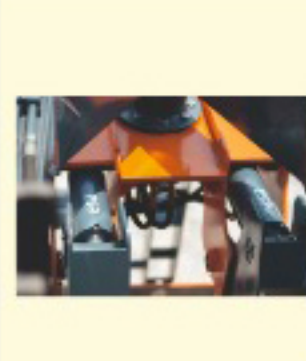

TECHNICAL SPECIFICATIONS

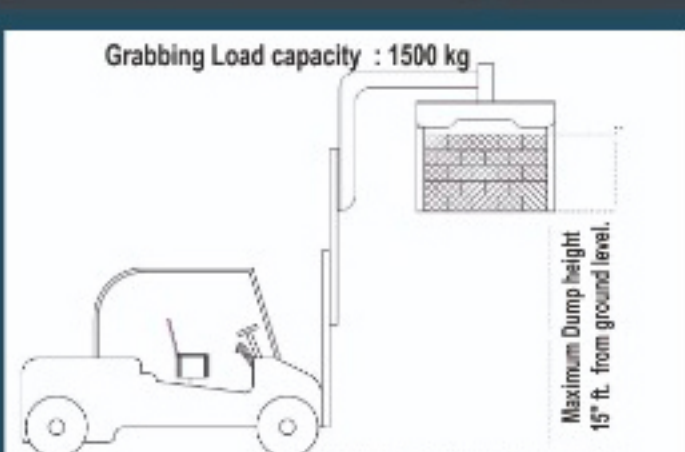

- esa's High Performance Hydraulic's system.
- High Pressure Hydraulic's Pipe line Construction.

- esa's make Rotary Joint
- High Tark Capacity Rotary System

- esa's manufactured Hydraulic Cylinders.
- High Performance and long life.

- Grabbing load Pressure gauge's for easy operating.

Sri Ganesh Jai Ganesh Engineering Works

3/46D, Gandhi Nagar Extn, Ondipudur Post, Coimbatore - 641 016.
Cell : 98422 20262 / 95005 19781. email : esamachines09@gmail.com

- esa's make own R&D Design for HolloBlock Grabbing and loading purpose attachment system.

- esa's make Rotary Joint
- esa's own Designed
- Special type Imported Oil Seals
- High Tark Capacity Rotary Shaft
- Double Bearing's

- esa's manufactured Hydraulic Cylinders
- Japane's Hydraulic Cylinder and Piston Rod.
- Hardened Bushes
- Imported oil Seal's for Hi Performance and long life.

- esa's High Performance Hydraulic's system.
- High Pressure Hydraulic's Pipe line Construction.

- Grabbing load Pressure gauge's for easy operating.
